Because we participate with major PPO insurances, all co-payments are considered an estimate until the office receives payment from insurance. At least ½ of the patient co-pay is required in advance to reserve an appointment. Please inform the office if you have a Flex Spending or Health Savings account.

A fee of \$30 per ½ hour of an appointment is charged when the office is given less than 48 hours cancellation notice.

All patient's working with Maryland State insurance (Scion) are required to provide no less than 48 hours notice for all appointment changes. Failure to do so will result in being dismissed from the practice.

Refusal to sign this form may result in non-treatment and/or the insistence of payment by guaranteed funds, i.e.-cash only.
